18 September 1961

MEMORANDUM FOR: Chief, Administrative Staff, DPD-DD/P

SUBJECT: DPD Personnel Cover

1. This memorandum contains a recommendation for your approval in paragraph 3.

2. Since the early days of this Division, matters relating to personnel cover (as differentiated from operational cover) have been handled by DPD Security. Many of these matters require liaison with the Central Cover Group. Since the Cover Branch has the prime responsibility for liaison with the CCG, it is felt that that Branch should have the responsibility for handling these matters pertaining to DPD personnel cover.

3. This matter has been preliminarily discussed with the Chief, Cover Branch, and he concurs. With the concurrence of the Chief, Administrative Staff, it is suggested that a meeting be arranged between representatives of this office and the Cover Branch to effectuate a transfer of this responsibility and to establish a standing operating procedure in this regard.
